Deal Roadshow *SiteTour*

Professional Site Tour Video Productions for the Capital Markets.

We know your process. We know your standard.

Deal Roadshow *SiteTour* provides **professional site tour videos** integrated with a seamless and **secure video distribution platform**. Offering you a one-stop solution for your site tours.

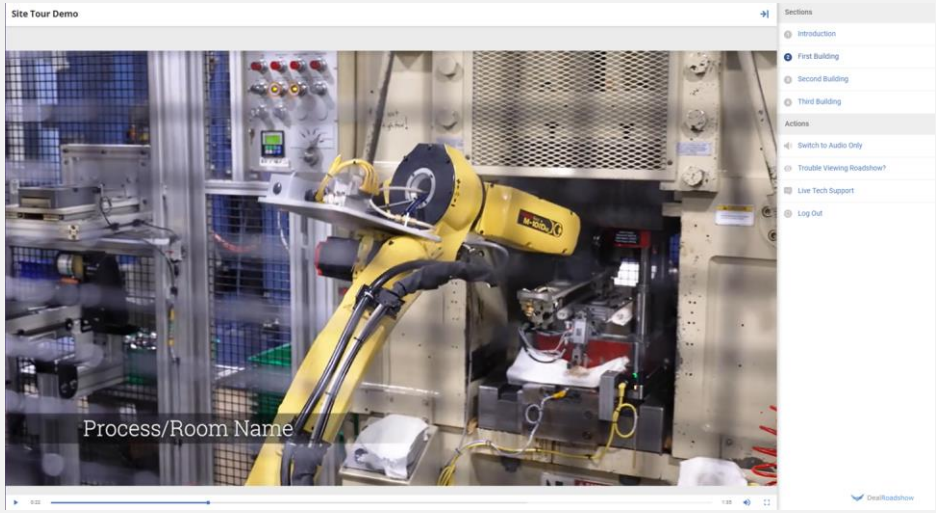
Professional site tour videos

- We operate with a high degree of **confidentiality** on-site
- Videography team with years of capital market video production **experience**
- Premium quality drones capture **stunning aerial footage** - showcasing the facility from a unique perspective
- Camera stabilizing gimbals optimized for **facility walk-throughs**

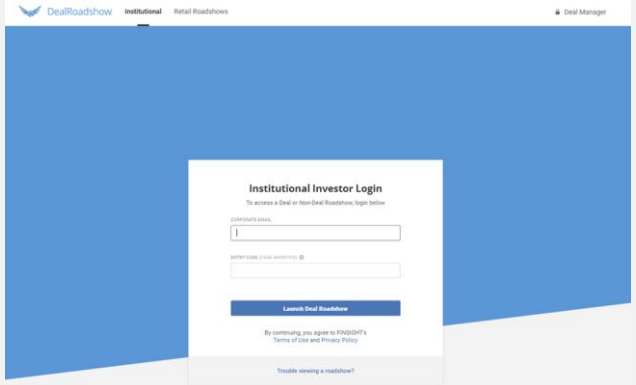
Beautiful aerial shots of buildings and facilities

Detailed facility walk-throughs and product demonstrations

Deal Roadshow *SiteTour* provides **professional site tour videos** integrated with a seamless and **secure video distribution platform**. Offering you a one-stop solution for your site tours.



High quality video available on any browser and any device



Simple and secure investor access

Secure video distribution platform

1 Deal Roadshow is **trusted** by the largest investment banks and corporations to securely share videos and presentations for equity, debt and M&A transactions

2 Entry code and White-list **security** features ensure only investors you invite can access your video

3 Unlike sharing in a data room, investors do not download any video file. Making it a secure, **easy and fast** method for watching your site tour

4 Deal Roadshow provides **granular analytics** showing you the number of times and duration that an investor viewed your site tour

Deal Roadshow *SiteTour* pricing is simple, transparent and cost effective. We know the process and we know your standard. **Let us record your next site tour: email us at support@dealroadshow.com**

Our Services	USD	EUR	GBP
On-site Facility Tour & Deal Roadshow	$ 24,000	€ 20,500	£ 17,500
Add On: Drone footage	$ 3,000	€ 2,500	£ 2,100

Additional Features Included in Pricing
Fanatical 24/7 support throughout the process
Access to granular investor analytics

1. *Pricing is per facility and covers a full day recording process and unlimited revisions if provided with 48 hour of the final version presented. A 3% surcharge will be added for invoices paid via Credit Card.*
2. *Onsite video recordings that are canceled or rescheduled in New York City, London and Hong Kong ("Finsight Cities") within 24 hours of the scheduled start time are subject to an incremental charge of 25% of the Upfront Fee and require a minimum of 48-hours advance notice to schedule. Any cancellations or rescheduling outside of Finsight Cities are subject to the same 25% charge within 72 hours of the scheduled start time and require a minimum of 72-hours advance notice to schedule. Incremental videography services are charged at $3,000 per day within Finsight Cities, and $5,000 per day outside of Finsight Cities.*
3. *Final draft for review will be completed within five (5) business days following recording day.*
